NUTS&BOLTS VOLUME #3

Since the early 90's I have been archiving software that was released commercially for our TI-99/4A.

I have found very many titles from various software companies from back in the old days.

Some I am still looking for are:

PSYBORG Console Basic game in 3 parts. Published by TImagination.

SPACE BATTLE,SKI,LAND ON MARS,METEOR SHOWER
Titles that were released by American Software Design & Distribution (ASD&D)

If you have any of the above titles and are willing to share, please PM me on AtariAge.
