CEDAR RAPIDS/MARION

Supporting the TI-99/4A and 9640 in Eastern Iowa for over 10 years!

NEXT MEETING: 7:00 PM JUNE 8, 1993

WEST MUSIC, COLLINS ROAD PLAZA

I want to appologize to Bob Heiderstadt for printing his position of Librarian as "Available" on the header of the last newsletter. While changing over the contents of the officer file that gets included when the newsletter is printed, I forgot to delete the line that said available from the previous month. Bob's name was the next entry in the file, but there were no more variables requested by the main document that prints this page. -Editor Gary Bishop.

GENERAL CLUB INFO

It occurred to your newsletter editor that certain routine facts about the operation of our club that have been unstated for some time. They are now hearby stated:

The Cedar Valley 99er UG meets on the second Tuesday of every month, barring a room scheduling conflict, at West Music, 7 PM. Our dues are \$8 per year per family. Our meetings are always open to visitors. The meetings must break up by 8:45 PM because our host business closes at 9 PM. The membership year runs from November to October. We have a library of programs, and at last count, the library has about 400 disks in it. Discussion of topics on "other" computers is grudgingly tolerated, as long as the discussion can be remotely related to the TI.

FOR SALE:

Expansion Box with 32K, TI disk controller, your choice of either single or double sided drive, flex cable, disk manager, all tested and ready to hook up and run, asking \$85 plus UPS shipping. Please call (804) 293-8973 late evenings if interested. I also have other items, such as RS232 card, extended Basic with manual (\$10), speech synthesizer, cartridges, books, magazines (99'er HCM and Micropendium) (50 cents per issue), etc. Please call if you want a complete list. Also willing to trade GRAM cracker, RAVE keyboard against other TI-99 items I can use. --Joseph Cohen, Charlottesville, VA. [Editor's note: I have the complete list of items Joseph wishes to acquire and/or trade. Contact me if you are interested. -Gary Bishop.]

I have stumbled upon a small cache of TI stuff that I wish to redeploy to some needy home: Multiplan with utility disks, TI Writer with utility disks, \$5 ea.; Winging It flight simulator cassette and disk, \$5; Wumpus, Adventure, PRK, PRG, TOD, HBM, Ghost Town, The Count, \$2 ea, or a quantity deal could be made, PRBASE with printed docs, offer.
