OCTOBER 1983

OFFICE/SYSTEM	NAME	PHONE(205)	CompuServe ID
PRESIDENT:	Joe Dawkins II	281-8220	71545,1261
VICE PRESIDENT:	Lewis Garrison	272-8462	70270,175
SECRETARY:	Fred Krautwurst	277-9203	70715,227
TREASURER:	Melanie Moses	272-1562	
FORUM-80 (TM)	Lew Garrison, SYSOP	272-5069	(300/1200 bps)
ANSWER & "READY"	Joe Dawkins, SYSOP	288-1100	(300/1200 bps)

GENERAL INFORMATION

CAMS meets regularly on the third Tuesday of each month at 7:30 PM. in the Fellowship Hall of Our Redeemer Lutheran Church, 2810 Atlanta Highway (US80), 1 block east of Federal Drive.

CAMS membership dues are $9.00 per year, and that includes the "Ready" newsletter mailed first class. Dues are prorated to coincide with our administrative year which begins March 1.

"READY" needs short articles concerning microcomputers and programs! They may be submitted by mailing to above adress, or UPLOADing an ASCII file to the Montgomery, AL FORUM-80 (TM) or ANSWER systems. Contact Joe Dawkins for further details.

Material in this and all previous issues of the "READY" newsletter may be reprinted without prior permission by personal computing club newsletters and school publications as long as: (1) we receive a copy of the publication, and (2) "READY" and the original author receive a credit line.

CAMS and "READY" disclaim any responsibility or liability for any direct or consequential damages that may be caused by the use of or reliance upon any information contained in this newsletter. The user of such information assumes the risk of any use.

The Central Alabama Microcomputer Society, Inc. is a non-profit corporation organized under the laws of Alabama.

EDITOR'S COLUMN

Last month CAMS held its' annual "electronic garage sale" at the monthly meeting. Fred Krautwurst, Lew Garrison and myself enjoyed the bargaining, despite the very rainy night, (It was a dark and stormy night...) which seemed to keep many members away.

We should have several ideas for using the personal micros to enhance "trick or treating" on Halloween night which we will discuss this at this month's meeting.

Incidentally, this issue of "READY" is again written on a NEC Spinwriter. Two reasons for this: A new Spinwriter 7730 arrived and Melanie got the Daisywriter that I used last month just before I printed this newsletter. I was becoming accustomed to that very nice daisywheel printer with the 48K buffer.

Please make an effort to attend as many meetings as possible. Also, if you have equipment you believe other members would like to see demonstrated, let me know. And please suggest topics for programs at the meetings. We will arrange a seminar on any subject in which enough of you are interested.

Joe Dawkins, II
President

SECRETARY'S REPORT

The September meeting featured our 2nd Annual Swap Meet, and several of our number looked like they really cleaned out their computer rooms! Everything from disks to chips was on the block.

A brief business session heard the announcement of a new Commodore SIG forming and wishing to affiliate with CAMS. Nikki Rothschild is the mastermind of the Commodore group. The Treasurer was ill but reported via her father (if he can be trusted) that we remain solvent. The Forum 80(tm) is expected to be back in service at the end of September. That lightning is wicked stuff!!

A number of new members signed up and then we made Joe shut up so the Swap Meet could continue! What else is new?

Fred Krautwurst
Secretary
