DEC 1, 1986 SANFORD USERS OF THE NINETY-NINE NEWSLETTER VOL.4, NO.2

Other user group newsletter editors may reproduce items from this
newsletter if proper credit is given to the author and this
newsletter, unless a notice at the end of the article states
otherwise. Contributions can be made on tape or disk (DIS/VAR 80 files
from TI-Writer, Editor/Assembler or DirectWriter) and, of course,on
paper. non-commercial subscribers can place ads at no cost.

IN THE MARKETPLACE: Mark Beck, of JACKSONVILLE USERS GROUP has
writen CREATIVE FILING SYSTEM,which is a data based filing system.
Copies of this freeware program may be obtained by sending 2 disks(or
1 double sided disk) and $10.00 to Mark Beck 166 Delaware Circle
Jacksonville, AR 72076   More information on this may be obtained at
the next meeting.

 For those of you who may need or want a TI-Writer manual for use with
TK WRITER,B/A WRITER,or FUNLWRITER, they are still available from TI
by calling 1-800-TICARES. The price is $3.00 Thank you San Fernando
Valey 99'ers for the tip.

THE LAST MEETING: I am somewhat surprised about the last meeting.
While I must admit attendence was a little low I still have hope. Of
those that recieved phone calls most expressed interest in
rejuvenating the group.

THE NEXT MEETING: The next meeting will be held on december 13, 1986
between 2:00pm and 4:00pm. Of course you are always wecome to stay
later and chat. The meeting will be held at Bill Vogt's house(4
Lawrence St. Springvale. Those needing directions may obtain them by
calling Bill(324-8281) or Bob Sousa(676-3721). Hope to see you there.

FREEWARE: In the future we hope to increase substantialy the size of
our library through the addition of freeware programs. If you have any
public domain programs which you feel may be of use to other members,
donate them to the users group library! Donations can be made to
Andy(Keith Monson).

NEWSLETTER DONATIONS: This is the second newsletter since taking over
for John. it seems to be an improvement over last month's issue and i
hope even better for next month!!! However, we could use some
programming tips or tutorials for Basic, Extended Basic, forth, and
anything else you can think of. won't you please contribute and share
your knowledge?? Any donations would be greatly appreciated. Donations
to the newsletter can be given or sent Robert Sousa RR#1 country
club#3 box 734 Sanford, Me. 04073 or phone (207)-676-3721

ITEMS OF INTEREST: We have contacted the Portland Users Group to
discuss the feasibility of becoming a sister group. We promised to get
back to them when we have an idea of how many of you are interested.
We would like to let them know by the time of their next meeting(Dec.
16), so please contact us by Dec 13(at the meeting). This is also an
apology to the Downeast 99'ers for not getting in touch sooner.

A T.I. SURPRISE
   On November 10th the T.I. S.U.N.N. Users Group got two (2) disks from TI.
Both disks contain programs to diagnos your computer, disk drive(s), printer(s)
RS232s and memery expansion. I used the Extended Basic diagnostic disk and my
equipment checked out: "GOOD UNIT". The disks came with extensive documentation
and some nice advertisments about T.I. calculators. I have also goten two (2)
catalogs from TRITON tm. With great bargains on EXTENDED BASIC ($29.95) and a
SPEECH SYNTHASISER ($29.95).
   Now back to the diagnostics from T.I. The programs on the disks include:

1) P-Code   7) Disk Exerciser
2) P.E.B test   8) RS232 (PHP 1700)
3) Impact Serial   9) Modem
4) Impact PIO   10) Catalog
5) Speech Test   11) RS232 1 2
6) TP   12) RS232 3 4

The other disk can be used with the MINI MEMERY cartrige to test for:

1) Diagnostic
2) P/Cards
3) Load (loads main menu)

   The disks are accessed by using menus from the disk. The loading and
operation of the programs are fully covered ing the documentation so I will not
reproduce it here.
   You may copy the disks for your own files. You may photocopy the
instructions and the advertisments. If you wish to order any of the products in
the package you do not have to go through the club to do so. Make a copy of the
order forms and remit the payment directly to the company.

   It seems to be a good package of information and it will put many peoples
mind to rest on the condition of their computers.

   Please borrow the package for as long as you need it but PLEASE DO NOT
FORGET TO RETURN IT! Return all software, materials and advertisments to:
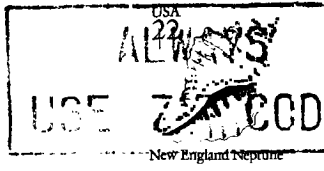

THE T.I.S.U.N.N. Users Group
P.O.Box 1141
Sanford, Maine 04073

or hand deliver to:

Keith Monson
239 Main St. Apt. 19
Sanford, Maine 04073

IN THE MARKETPLACE: Rave 99 of Bloomfield CT. has 2 different keyboard
enhancement for the TI-99/4A. Model 99/101 retails for $164.95 and model 99/84
retails for $149.95. More information may be obtained at the next meeting or by
